

WEBINAR

Physician Compensation Strategies

Date: **Wednesday, August 5, 2020**

Time: **12:00 – 1:00 p.m. CT**

Speaker: Lauren Duren

Program Overview

How often is it necessary to evaluate and modify a physician compensation plan? This webinar will discuss how to examine a physician compensation plan, outline the various models of calculating and implementing physician compensation plans, and how to ensure financial viability of the practice during this process. The webinar also will discuss how to align physician incentives and rewards while maintaining the core mission, vision and values of the health care organization.

Learning Objectives

- Examine organization's physician compensation plans for strengths, weaknesses and alignment opportunities.
- Identify optimal quality and cost-effectiveness targets in incentive models to maintain financial viability.
- Outline strategies for creating or changing a physician compensation model and how to implement it into a practice.

Target Audience

CEOs, CFOs, health care clinical professionals, health care legal professionals, practice administrators.

Cost

\$195 per connection for NHA members. \$390 per connection for non-members.

Note: The fee is for one phone line with unlimited participants.
