

Nebraska Connectivity Consortium Update for the 2023 Funding Window August 18, 2022, 10:00 – 11:00 am CT

Please join us for a **free** online seminar for NHA member hospitals offered by NHA Services and Federal Funding Group (FFG) as we provide a Nebraska Connectivity Consortium Update for the 2023 Funding Window.

NHA Connectivity Consortium

HOW CAN I PARTICIPATE?

- Join the consortium!

Consortia can have higher funding amounts, cover more services, and manage the program compliance and provide guidance.

WHAT IS ELIGIBLE FOR THE 65% SUBSIDY?

- Data services and equipment which support, maintain and manage a health care network.

WHEN DO I RECEIVE THE FUNDING?

- The program year runs from July through June every year. Once approved, the funding is disbursed on a quarterly basis to the vendor, who then credits your account.

WHAT IS THE NEXT STEP?

- Schedule a meeting with FFG, the consortia agents who facilitate the program for NHA.

The Application Window is OPEN!

Contact: usacfunding@nebraskahospitals.org

Application Timeline

Learning Objectives:

1. Level set on program, Consortium lead and relationship with consultants.
2. Profile of individual filers (non-members) and challenge.
3. New for 2023 – Consortium wide initiative to leverage vendors for statewide pricing and program efficiencies.
4. Timeline and process for 2023 applications.

Target Audience:

Hospital CEOs, CFOs, CIOs, and IT
