

WEBINAR

CAH Swing Bed Requirements

Date: **Tuesday, April 21, 2020**

Time: **9:00 – 11:00 a.m. CT**

Speakers:

Sue Dill Calloway, President

Patient Safety and Health Care Education and Consulting

Cost

\$195 per connection for NHA members. \$390 per connection for non-members.

Note: The fee is for one phone line with unlimited participants.

Target Audience

Anyone who is responsible for taking care of swing bed patients in a CAH or for implementing the CMS swing bed requirements. This includes the following:

CEOs, COOs, CFOs, nurse executives, accreditation and regulation director, nurse managers, pharmacists, quality managers, risk managers, healthcare attorneys, health information management personnel, social workers, dietitians, health information management, nurses, nurse educators, nursing supervisors, patient safety officer, director of Rehab (OT, PT, speech pathology, and audiology), dietician, director of health information management, infection preventionist, dietician, activities director of swing bed patients, and compliance officers.

Course Curriculum

This webinar will focus on the protocol and swing bed changes that were promulgated by CMS on October 12, 2018 and amended November 29, 2019. In fact, CMS completely rewrote all of the swing bed regulations, with swing bed

interpretive guidelines and survey procedures now under Appendix PP. CMS is also changing all of the CAH tag numbers and the new numbers for the swing beds will be included. Many Critical Access Hospitals (CAH) are not aware of these changes or are struggling to comply. This is a must attend webinar for any CAHs with swing beds.

Changes to the CAH Manual and Introduction to CAH CoPs

- How to Locate the CAH Manual-new website
- CMS Surveyor training material for CAHs
- Important CMS Memos for CAHs
- Notice of survey
