Remember, you can include as many of your colleagues as you wish per line. For each additional line/connection there will be an additional charge. Not sure if you'll be able to make the live session? Everyone who registers will receive a link to the recording of the webinar that you have 60 days to view at your convenience, at no additional charge.

Cost

\$195 per connection for NHA members. \$390 per connection for non-members.

Note: The fee is for one phone line with unlimited participants.

Speaker Bio

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education & Consulting. She was previously the chief learning officer for the Emergency Medicine Patient Safety Foundation. *The speaker has no real or perceived conflicts of interest that relate to this presentation.*

Course Curriculum (all times CT)

Part 1: March 10, 9:00 – 11:00 a.m.

Part One will include an introduction to the CAH CoP Manual, a review of recent memos issued by CMS and regulatory updates, safe injections, advanced directives, emergency services, drugs and equipment, and observation.

Part 2: March 17, 9:00 – 11:00 a.m.

Part Two will include a discussion of those portions of the manual covering pharmacy, dietary and nutrition services, physical environment, emergency department, and patient care policies.

Part 3: March 24, 9:00 – 11:00 a.m.

Part Three will include a discussion of those portions of the manual covering infection control, safe medication, patient services, outpatient services, labs, nursing, and discharge planning.

Part 4: March 31, 9:00 – 11:00 a.m.

Part Four will include a discussion of those portions of the manual covering radiology, contracts, emergency services, rehab, visitation, medical records, surgery, anesthesia, organ and tissue procurement, and special requirements for CAH providers of long-term care services (swing beds).
