*care*Learning Product Information Webinar
September 29, 2020 1:30 – 2:30 CST

NHASERVICES   *care*Learning
eLearning. Real-World Advantages.

Please join us for a **free** webinar for NHA member hospitals. NHA Services Preferred Business Partner *care*Learning will provide you with practical knowledge of how the *care*Learning system will help you organize and manage your employee education. *care*Learning is a non-profit company owned by the Nebraska Hospital Association and over 40 other state hospital associations.

Areas Covered in the Webinar:

- Discover who *care*Learning is and what we have to offer your organization such as an award-winning Learning Management System, full course catalog specific for health care, competency management, performance management, and much more
- Learn how our system will assist you in effectively managing both online and live education
- Maximize course offerings for your employees in a cost-effective way
- Witness how easy and comprehensive the documentation and reporting will make your next performance evaluation or audit

- See ways that education is centralized so that employees and managers can easily find out what education is required or available
- Discuss the implementation process and product support
- Ask questions of a *care*Learning product expert

Who Will Benefit:

- Staff Educators
- Human Resources
- Nursing Executives or Managers
- Compliance Officers

Current Nebraska Facilities Utilizing *care*Learning:

Brodstone Memorial Hospital • Callaway District Hospital
Chadron Community Hospital & Health Services • Cozad Community Health System
