OSTOMY WORKSHOP: Building a Foundation

August 12, 2022 | 7:45 a.m. – 4:15 p.m.
UNMC Center for Nursing Science | 4101 Dewey Ave., Omaha, NE 68105

TARGET AUDIENCE

Nurses and other health care professionals involved in ostomy care.

LEARNING OUTCOMES

- Create a discharge plan incorporating strategies for effective ostomy education with patients utilizing resources for a smooth transition between settings or home.
- Devise a care plan when assessing ostomy complications involving poor stoma location, high output, peristomal breakdown, ischemia, retraction, parastomal hernia, prolapse, or other common challenges as derived from case scenarios and role play application.
- Demonstrate detailed ostomy documentation based on your assessment including pouching system, accessories, stoma size, output, stoma and peristomal appearance, and when to refer or notify the surgeon.
- Differentiate types of ostomies during your assessment while considering ostomy appliance selection and other accessories

REGISTRATION

- Registration will close on August 1, 2022.
- Cost: \$125 (covers food, 6.0 ANCC contact hours, free materials, skillsets and hands-on training with experts in the field)
- Space is limited
- Registration is not complete until payment is received

SCAN ME

Cancellations and Refunds

Refunds will be granted (less a \$25 processing fee) if cancellation is received in writing before August 1, 2022. NO refunds will be honored after this date. A \$35 processing fee will be assessed for insufficient funds.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by University of Nebraska Medical Center and Nebraska Affiliate of the WOCN Society. University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Nebraska Medical Center designates this activity for 6.0 ANCC contact hours. Nurses should claim only the contact hours commensurate with the extent of their participation in the activity

AGENDA
