

CoPs for Critical Access Hospitals: 2019 Update Ensuring Compliance - Part 1 of 4

Webinar #T6005

DATE AND TIME

January 24, 2019
9:00 - 11:00 a.m. CT

OVERVIEW

Critical Access Hospitals (CAHs) hospitals must comply with the Centers for Medicare & Medicaid Services' Conditions of Participation (CoP) for CAH. The CMS regulations and interpretive guidelines serve as the basis for determining compliance. In this four-part webinar, participants will learn CoPs details what to do when a surveyor arrives at their facility. Additionally, every section in the CAH hospital manual will be discussed. This includes updates and 2019 proposed changes added in October of 2018.

Part 1 of 4, our speaker will provide an introduction to CMS, including 2019 proposed changes, CMS memos on topics such as safe injection practices, deficiencies, revised complaint manual, texting, ligature risks, etc. Sue will review CAH problematic standards and provide resources as well. **Most importantly, our speaker will discuss the various regulations and interpretive guidelines for CAHs**, including, but not limited to compliance, licensure, provider certification, network agreements, credentialing, advanced directives, ED staffing, EMTALA, Equipment and supplies, medication, personnel, emergency response, length of stay, observation (Two midnight rule), swing beds, and numbers of beds.

TARGET

Anyone involved with compliance regulations and standards, including, but not limited to, CEOs, CFOs, CMOs, CNOs, physicians, nurses, quality improvement staff, risk managers, pharmacy staff, dietitians, compliance officers and legal counsel, ethics committee members, consumer advocates, TJC liaisons, safety officers, behavioral health and psychiatric staff, case managers and other interested staff.

OBJECTIVES

- Describe the CMS requirement in which the board must enter into a written agreement if the hospital wants to enter into telemedicine services.
- Discuss the CMS list of emergency drugs and emergency equipment which every CAH must have.
- Explain how the length of stay in a CAH should not exceed 96 hours on an annual average basis.
- Discuss recommendations to do a gap analysis to ensure compliance with all the hospital CoPs.

FACULTY

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education and Consulting and was previously the chief learning officer for the Emergency Medicine Patient Safety Foundation. She has conducted many educational programs for nurses, physicians, and other health care providers. Sue Dill Calloway has authored over 100 books and numerous articles.
