

NHSN Basic Training

(CHA 5.2.23)

Dates: **Tuesday, May 2**

Time: **12:00 p.m. – 2:30 p.m. CT/11:00 a.m. – 1:30 p.m. MT**

Speakers:

Toni Foos, RN, BSN, CIC, CPHQ, Colorado Hospital Association, manager, infection prevention and clinical quality

Cost: \$195 to NHA members (per hospital, no charge for additional lines, recordings available up to 60 days after the webinar)

Course Curriculum

This two-and-a-half-hour webinar will cover the basics for entering data into NHSN. Topics include annual surveys, reporting plans, summary data, alerts, and events, including CAUTI and LabID C. diff and MRSA. This course applies to acute care and critical access hospitals.

Target Audience:

This webinar is geared towards anyone interested in learning the basics of reporting health care-associated infections (HAIs) into NHSN.
