Strengthening health care by building alliances

The Nebraska Hospital Association (NHA) is proud of its distinguished list of Affiliate Members. Together, we are focused on helping hospitals and health systems provide high-quality, accessible, and affordable health care for the citizens of Nebraska.

The NHA Affiliate Membership Program is designed to build and strengthen alliances and partnerships with companies that serve our hospital members by providing a wide variety of products and services. Through this membership opportunity, companies not only support the NHA through this non-dues revenue source but also support the hospitals in their missions with these valuable services. Several different types and levels of Affiliate Membership allow our partners to align their marketing strategies with an affordable dues commitment.

LIVING THE MISSION

Nebraska hospitals do much more than care for the sick and injured. Safe havens in times of pain, trouble, and hardship, hospitals are always there when needed—for emergencies, lifesaving treatments and life-enhancing education, welcoming new lives into the world, and helping patients and families at the end of life. Nebraska's hospitals contribute to the quality of life and health, going well beyond the walls of the hospital.

Hospitals are the third largest employer in the state, providing income and security for thousands of families in urban and rural communities.

It is the mission of the Nebraska Hospital Association to serve its members by being the trusted leader to improve the health, well-being, and quality of life of all Nebraskans.

The NHA is governed by a 22-member board of directors that works closely with its membership to provide state and federal legislative advocacy, health care trends and regulatory information, educational programming, communication, data reports, and special services. Members rely on the NHA for information, education, advice, and collaborative leadership to advance Nebraska hospitals' ability to provide exceptional health care.

Hospitals are the stewards of good health. Through partnerships with representatives in the health care industry, legislators, government, and citizens, the NHA can assist in the development of strong, healthy communities.

REQUEST FOR PROPOSALS

As a member of the NHA Affiliate Membership Program, you have the opportunity to submit a Request for Proposal (RFP) to present an educational session to the NHA membership during the calendar year. This is NOT a guarantee that the submitted proposal will be accepted and incorporated into the year's educational offerings. Presentation topics proposed must be of interest to our members and in line with our mission. There are no honorariums or travel expenses paid for education presentations.

All proposals are reviewed by the NHA Research and Educational Foundation's Education Advisory Group for final determination of acceptance. This group consists of a cross-section of individuals from NHA member hospitals including CEOs, CFOs, DONs, human resource and education staff, as well as management and clinical staff from across the state. The Advisory Group makes selections based upon programming they feel will be the most targeted, timely and beneficial in addressing the educational needs of hospitals during the year.

We are looking for new and innovative educational offerings/speakers for a variety of venues:

- Full day, stand-alone educational sessions.
- Half day, stand-alone educational sessions.
- Breakout presentations at the NHA Annual Convention and NHA Rural Health Conference.
- Webinar presentations for NHA members and/or hospitals in other states across the country via a network of the 50 state hospital associations.

Events & Programs

ADVOCACY DAY (March 6, 2024 - Cornhusker Marriott, Lincoln)

To accomplish its mission and serve its members, the NHA proactively positions itself as the most respected, knowledgeable and influential resource for the development of health care policy by providing strong leadership, communicating effectively and strategically collaborating with policymakers, NHA members and other stakeholders. NHA Advocacy Day is a half-day workshop designed to provide hospital CEOs, advocacy team members, trustees, key hospital staff, state senators and their staff, leaders of HHS and other state health care advocates with important information about state and federal legislative issues. The event culminates at a luncheon with Nebraska's state senators. The event is held annually in the spring during the Legislative session.

RURAL HEALTH CONFERENCE (June 4-5, 2024 - Younes Conference Center North, Kearney)

The NHA Rural Health Conference is a smaller annual event than the Annual Convention and has historically been targeted at the C-Suite at Critical Access Hospital member hospitals. This event is held in conjunction with the summer meeting of the Nebraska Chapter of the Healthcare Financial Management Association (HFMA), and American College of Healthcare Executives (ACHE). The Rural Health Conference includes individualized tracks of education for CEOs, CFOs and HR.

ANNUAL CONVENTION & TRADE SHOW (October 16-18, 2024 - Embassy Suites, La Vista)

The NHA Annual Convention is the largest gathering of health care professionals in the state and brings together hundreds of health care professionals to gain insight on leadership, new technology and industry trends, quality excellence and human motivation. Health care professionals network with business colleagues and make contacts at the trade show. With more than 100 exhibitors, this is your BEST opportunity to network and make contacts with health care decision makers from across Nebraska at one exciting event! The Convention features keynote sessions by nationally known speakers and individual breakout meetings conducted by a variety of professional membership groups. The NHA Annual Convention offers more than a dozen sponsorship opportunities other than the trade show to promote your company's expertise. The event is held annually in the fall.

LEADERSHIP INSTITUTE (Year-long program)

In our commitment to strengthen and promote the leadership skills of Nebraska hospital employees, the NHA Research and Educational Foundation developed the NHA Leadership Institute in 2004. The NHA Leadership Institute provides up-and-coming leaders within hospitals the necessary skills to become exceptional leaders and puts them on the pathway to senior management positions. Experts from the Bellevue University Corporate Learning Department serve as faculty for the Leadership Institute. Each year, approximately 40 health care professionals from across Nebraska come together for a year-long program designed to instruct, inspire, and invigorate. Participants establish peer-to-peer connections and lifelong bonds with classmates and faculty.

CONNECT WITH NEBRASKA HOSPITALS

We pride ourselves in keeping the most updated information on our member hospitals. On our website, we include each member hospital's website address, mailing address, phone number and CEO name. When staff changes are announced for a member hospital, we are notified and we update our databases accordingly and announce in our weekly e-newsletter, Newslink.

If you are looking to send out targeted mailings to our member hospitals, please contact Heather Bullock, executive office & events manager, at (402) 742-8148 or hbullock@nebraskahospitals.org, to discuss opportunities for us to help.
