Accredited Continuing Education

ACCREDITATION STATEMENT

In support of improving patient care, this activity has been planned and implemented by AXIS Medical Education and the Nebraska Hospital Association. AXIS Medical Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CREDIT DESIGNATION FOR NURSING

AXIS Medical Education designates this continuing nursing education activity for a maximum of 12.25 contact hours.

Learners are advised that accredited status does not imply endorsement by the provider or ANCC of any commercial products displayed in conjunction with an activity.

QUALITY PROFESSIONALS

This program is pending approval by the National Association for Healthcare Quality (NAHQ) to provide CPHQ CE credit.

HEALTHCARE EXECUTIVES/ACHE-QUALIFIED

ACHE Qualified Education credit must be related to healthcare management (i.e., it cannot be clinical, inspirational, or specific to the sponsoring organization). It can be earned through educational programs conducted or sponsored by any organization qualified to provide education programming in healthcare management. Programs may be sponsored by ACHE, chapters, or other qualified sources, whether the programming is face-to-face or distance offerings (webinars, online seminars, self-study courses, etc.). You will receive a certificate of completion for 12.25 hours.

AXIS CONTACT INFORMATION

For information about the accreditation of this program please contact AXIS info@axismeded.org.

DISCLAIMER

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed in this activity should not be used by clinicians without evaluation of patient conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

REQUIREMENTS FOR CREDIT:

- Attend/participate in the educational activity and review all course materials.
- Complete the CE Declaration form online by December 15, 2024. Instructions will be provided. If you do not enter the online portal by the above date, you will not be able to retrieve your statement of participation.
- Upon successful completion of the online form, your statement of completion will be presented to you to print

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

AXIS Medical Education requires faculty, instructors, authors, planners, directors, managers, peer reviewers, and other individuals who are in a position to control the content of this activity to disclose all personal financial relationships they may have in the past 24 months with ineligible companies. An ineligible entity is any organization whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. All relevant financial relationships are identified and mitigated prior to initiation of the planning phase for an activity.

AXIS has mitigated and disclosed to learners all relevant financial relationships disclosed by staff, planners, faculty/authors, peer reviewers, or others in control of content for this activity. Disclosure of a relationship is not intended to suggest or condone bias in any presentation but is made to provide participants with information that might be of potential importance to their evaluation of a presentation or activity. Disclosure information for faculty, authors, course directors, planners, peer reviewers, and/or relevant staff is provided with this activity.
